

CLASSIFICATION

For Sale: New

Available via Triton's global network of supply locations.

40ft High Cube Double Door Dry Container

FEATURES

- Additional height provides extra internal cubic capacity, which means greater interior stacking capacity for your goods
- Cargo doors on both ends provide easy access for stocking and retrieving stored goods
- Manufactured with rust resistant corten steel
- Secure and weatherproof, with vents to allow airflow
- Resistant to damage and corrosion
- Great options including 80 micron floor coating, lock boxes, waist high door locking handles
- Superior paint systems
- Advance orders in your preferred color (minimum volume required)
- Triton's industry leading new production testing and inspection criteria ensures the highest quality container
- Moved from factory to most major ports in the world
- Incredibly versatile and suitable for customers to modify into a wide range of applications
- Backed up by Triton's global network of supply locations and dedicated sales and support teams
- Available globally
