

45ft High Cube Pallet Wide Dry Container

CLASSIFICATION

Lease

Available via Triton's global network of supply locations.

FEATURES

- It's distinctive shape allows for loading of 33 Euro Pallets, making it very competitive for Intermodal usage
- Low tare weight
- Fully intermodal: interchangeable on road, rail and sea
- The environment-friendly alternative to road transport (less CO₂ emission)
- Additional height and length provides extra internal cubic capacity, with a greater interior stacking capacity for your goods compared to a standard ISO container
- Manufactured with rust resistant corten steel
- Secure and weatherproof, with vents to allow airflow
- Strong steel construction to protect for impact damages
- Superior paint systems to protect from sea water and other environmental exposure
- Triton's industry leading new production testing and inspection criteria ensures the highest quality container
- Backed up by Triton's global network of supply locations and dedicated leasing and support teams
